# Sending the survey on paper

LimeSurvey has the possibility to print the surveys on paper, 2 different types can be printed. Normal and QueXML format.

## Normal printed version

### Printing a survey in Limesurvey

- Open your survey in Limesurvey
- Hoover your mouse over the icon of a piece of paper with the looking glass and the arrow
- Then hoover over printable version
- select the language for the printed survey
- Print the screen you get
- Sent or give the survey to your patients

### Entering normally printed surveys into gemstracker

### to be continued
