

Removing or modifying a survey

Removing

Both surveys added by a track or manually by a user can be removed in the same way.

- Select a patient by clicking on it
- Find the survey you want to remove
- Press the **+** button
- Press **Delete** at the bottom of the screen
- Optionally enter a comment
- Select the reason for removal in the list
- Press '**Delete token!**'

Modifying

- Select a patient by clicking on it
- Find the survey you want to modify
- Press the **+** button
- Press **Delete** at the bottom of the screen
- Optionally enter a comment
- Select **modify** or **redo**
- Press '**Delete token!**'
- Find the survey you want to modify
- Press the **+** button
- Press '**Fill in**'
- Change any answer you want
- Continue until you reach the end of the survey
